5. A non-employee representative of the Association may meet with an employee on County work premises for the purpose of preparing for a grievance or arbitration hearing during the employee's work hours, providing reasonable prior notice is given to the County Manager and such meeting does not substantially interfere with County business operations.

2. Non-employee representatives of the Association shall be admitted to the premises of the County at reasonable times. Such visitations shall be for the reasons of the administration of this Agreement. The Association agrees that such activities shall not interfere with the normal work duties of employees and that any contact with individual employees or groups of employees, unless mutually agreed otherwise, shall take place during the employee's non-work time.
3. An Association representative shall be relieved of duty for purposes of carrying out the provisions of this Agreement, unless operational demands prohibit. Use of representative time shall not be abused by the employee and use of said time will not be unreasonably withheld by the County Manager. If the Association representative is unavailable, the employee may use an employee of his/her choice.

 - (b) Exchanging general information of interest to both parties;
 - (c) Giving the Association representatives the opportunity to share the views of their members and/or make suggestions on subjects of interest to their members.
2. Any issues to be discussed shall be placed on the agenda by the requesting party at least seventy-two (72) hours prior to the scheduled meeting.
3. The Labor/Management Committee shall be advisory only and shall not engage in collective bargaining or reach any agreements which amend the contract without the ratification of and by all principals.

Article 10 – Grievance & Arbitration Procedure

1. For the purpose of this Agreement, the term "grievance" shall mean an alleged violation, misinterpretation, or misapplication of a specific provision of this Agreement or appeal from disciplinary action as contemplated within Article 11 of this Agreement. For purposes of this Article, the term "work days" when used herein shall mean the days Monday through Friday, excluding recognized holidays or employee vacations. If not specifically listed as work days, all references are to calendar days. All parties agree to adhere to confidentiality policies during the grievance process.

Step 1: An employee covered by this Agreement shall first arrange an informal meeting to discuss the matter with the County Manager or his/her designee in a timely manner. The employee may request the presence of an Association representative at the meeting. The employee's request for an informal meeting must be made within five (5) working days of the employee's knowledge of the event or circumstance giving rise to

*Unbiased
opinion*

the grievance. If the grievance is not solved at **Step 1**, the employee may proceed to **Step 2** by filing a written formal grievance.

Step 2: Within five (5) working days of the informal discussion with the County Manager or his/her designee, the employee shall present ~~to same~~ a written grievance on the standard grievance form available from the Association. The written grievance shall contain but not be limited to the following:

- (a) Employee's name.
- (b) Employee's position, classification, or title.
- (c) Employee's department or section.
- (d) Employee's mailing address and telephone number.
- (e) Statement of the nature of the grievance.
- (f) Section of the Agreement alleged to have been violated or disciplinary action which is being appealed.
- (g) Date of alleged violation/disciplinary action.
- (h) Date of the informal discussion at **Step 1**.
- (i) Proposed solution of the grievance.
- (j) Signature of the employee.
- (k) Date the grievance was signed by the employee.

The date and time the grievance is received by the County Manager will be recorded by that office on the grievance form. The County Manager or his/her designee will schedule a grievance meeting within ten (10) working days of receiving the formal written grievance.

The Association and Management may have up to two (2) representatives present at the grievance meeting, in addition to the County Manager or his/her designee and the grievant. There will be no limit on the number of witnesses allowed, so long as their testimony is relevant to the issue in dispute and not redundant. The County Manager or his/her designee may judge the relevancy of testimony of suggested witnesses or stipulate to their testimony.

The County Manager or his/her designee shall have ten (10) working days from the date the grievance meeting was held to give a formal response to the grievance. The final decision regarding any formal response to the grievance shall be at the discretion of the County Manager.

If the issue is not resolved following the County Manager's response at **Step 2**, the employee may request the Association to proceed to **Step 3**, arbitration. If the Association, possessing full knowledge of the facts, decides to request arbitration, the involved parties shall proceed as follows.

Step 3: The request for arbitration must be made in writing by the Association to the County Manager within five (5) working days from receipt of the formal Management response from **Step 2**.

- a. The Association and the County shall mutually select an arbitrator. In the event agreement cannot be reached on a neutral, the parties agree to solicit a list of seven (7) professional neutrals from the Federal Mediation & Conciliation Service (FMCS) and alternately strike names from such a list until one name remains, which name shall be the arbitrator to serve for the case. The party to strike first shall be determined by lot.
 - b. In the appeal of disciplinary action, where the Arbitrator grants the full remedy requested by the appellant or sustains the disciplinary action taken by the County, the losing party shall pay all fees and expenses of the Arbitrator and court reporter. In all other cases, all fees and expenses of the arbitrator shall be shared equally by the Association and the County. In all instances, each party shall bear the expense of the presentation of its own case. In the event of a determined undue delay in the scheduling or processing of a request for arbitration, the arbitrator may reduce the amount of back pay to be awarded and require the offending party to pay all cost and fees related to the loss incurred by the complaining party as a result of the delay.
 - c. The arbitrator's decision shall be final and binding upon the parties. The arbitrator's authority shall be limited to the application and interpretation of the provisions of this Agreement and no arbitrator shall have the power to modify, amend, or alter any terms or conditions of this Agreement or to make any ruling in conflict with federal or state regulations. The arbitrator shall render a written decision within thirty (30) days following the hearing.
 - d. The employee may select any Association Designate to be his/her representative. The Association shall, if requested, determine whether to allow a Non-Association Designate as representative of the employee and shall notify the employer and the employee. In any event, the employee will notify the employer of the identity of his/her representative as soon as the determination is made. The County shall decide who will represent Management and will so notify the Association.
2. Material considered in any grievance proceeding shall be limited to oral and written material which is related to a determination of the factual and legal issues in dispute. The employer's or employee's past performance by way of acts or failure to act may be shown by competent evidence and strict rules of evidence shall not apply. Reports, evaluations, and other written evidence may be considered upon a showing that the parties were made aware of the contents of this material.
 3. The time limits for an employee to advance the grievance, after a timely grievance is filed at **Step 2**, and for Management to respond, are intended to assure an expeditious processing of a grievance. Should the employee fail to meet his/her time requirement, it will be deemed that s/he has forfeited his/her right to advance the grievance. If Management fails to respond to a grievance in a timely manner, the grievant may proceed to the next step. The preceding notwithstanding, neither party shall

unreasonably withhold agreement to extend these time limits based on the circumstances of each case.

4. During normal business hours, an employee or the employee's representative shall have access to and be entitled to copies of the employee's personnel file, with the exception of confidential letters of reference and investigative reports of governmental agencies obtained in connection with the initial employment of the employee, or any other documents to which by law the employee cannot have access.

Article 11 – Discipline & Discharge

1. The right to maintain discipline and efficiency of employees is vested exclusively in the County. All disciplinary action or measures taken by the County shall be for just cause and may include the following: oral reprimand, written reprimand, suspension with pay, suspension without pay, or discharge.
2. The employees subject to this Agreement are managers and, as such, are ultimately responsible for the effective and efficient operation of their departments or offices. The scope of "cause" for purposes of this Article shall include a proven failure to successfully manage all aspects of his/her department's or office's operations in the best interests of the County. "Cause" shall not be limited to instances of wrongdoing, but may or will include general failure or inability to assure department or office performance up to the standards set by the County Manager and/or the Board of Commissioners. Any charge brought alleging "failure to perform to County standards" will require a showing that such standards were communicated to the affected employee, in writing, in sufficient form and time to reasonably allow satisfactory compliance. Such communication shall not be required when such standards are in a job description, applicable law or regulation, or professional standard which applies to the programs, services, or operations which the employee manages for the County.
3. The level of severity of the discipline is dependent on the nature of the act and the circumstances. When a complaint against an employee does not warrant discharge, the disciplinary action will be based on the severity of the complaint and take the form of: (1) oral reprimand; (2) written reprimand; (3) suspension with pay; or (4) suspension without pay. One or more actions of 1 through 3 may occur prior to discharge; however, the County reserves the right to omit any progressive discipline step and/or to discharge without progressive discipline, depending upon the nature and severity of the act.
4. If, at any time during the course of a meeting with a unit member, the County Manager determines that discipline may be required, s/he shall offer the employee an opportunity to reschedule the meeting to a time and place which would afford the employee the right to be represented.
5. At the time the County issues a written reprimand, it shall also provide a copy of the reprimand to the Association President.

6. The County shall notify the Association of its intent to suspend an employee. When suspension is contemplated, the last phase of the investigation process shall be a meeting where the employee and the Association representative are informed of the allegations and given the opportunity to respond. The discipline may be postponed to allow for consideration of evidence the employee produced or for further investigation of the employee's response.
7. The County may not discharge an employee for cause without first giving the employee and the Association written notice of a minimum of five (5) working days prior to the action being taken.

The written notice shall include the following:

- (a) A statement that discharge is proposed and the specific charges.
- (b) Copies of any material or documents upon which the proposed action is based.
- (c) A statement that the employee has five (5) working days to meet with the County to discuss the proposed action. 10

The employee and an Association representative shall meet with the County to review the charges and be given an opportunity to state their position as to whether they are true and reasonable grounds for the proposed action. The discipline may be postponed to allow for consideration of evidence the employee produced or for further investigation of the employee's response.

8. In cases of contemplated discharge or suspension concerning misconduct which presents possible harm to persons or property or pending criminal charges which adversely and directly affect the County or substantially disrupt County operation, the County may immediately suspend the employee up to ten (10) days. Following removal of the employee from the workplace, notice will be given to the Association of the action taken and the basis for such action.
9. Any record of disciplinary action, excluding oral warnings and reprimands, in order to remain effective, must be placed in the employee's official personnel file.
10. Any record of discipline not previously provided to the employee will not be used as a basis for subsequent progressive discipline.
11. Upon written request of the employee to the County Manager, any written warnings and/or reprimands that were issued more than thirty-six (36) months prior to the request shall be removed from the employee's personnel file and shall not be used in future disciplinary matters, provided that no intervening discipline has occurred. If ensuing discipline occurs, a new period of thirty-six (36) months shall commence from the latest disciplinary action.
12. Within ten (10) days from the date that disciplinary actions of suspension without pay or discharge are implemented, the Association may appeal said disciplinary action to the County Manager.

BoCC did not approve at 12/18/07 meeting

13. Within ten (10) days of receipt of a timely filed appeal of disciplinary action, the County Manager shall reply in writing. Within ten (10) days from receipt of the County Manager's reply, the Association may appeal suspensions or dismissals to arbitration. In the event of an appeal of a written reprimand, the decision of the County Manager shall be final. The appeal must be in writing and state the basis of appeal. The procedures established in Article 10, step 3 shall apply to the arbitration proceedings.
14. All correspondence generated by the parties related to events associated with acts of discipline; i.e., notices of proposed or imposed discipline; responses to or from either party; documents being copied to personnel files and records of appeal or grievances shall, during the course of transference or transmission, be sealed and marked "confidential."

Article 12 – Probationary Period

1. All new full-time employees shall fulfill a probationary period of twelve (12) months. The probationary period is part of the selection process and shall be utilized for observing the employee's work and for securing the adjustment of a new employee to the position. During the probationary period following an original appointment and any extension of such period, employment may be terminated at any time without cause.
2. A probationary employee shall accrue benefit credit from his/her hire date.
 - a. An employee shall become eligible to use sick leave upon completion of thirty (30) days of service.
 - b. An employee shall become eligible to use annual leave upon completion of six (6) months of service.
 - c. An employee shall be eligible to use his/her group insurance benefits at such time as is provided by the insurance plan then in effect and/or chosen by the employee.
3. New probationary employees shall not constitute a part of the bargaining unit. They may, however, join the Association.
4. Probationary employees shall receive a written performance evaluation at the completion of their third, sixth, and eleventh month of their probationary period, when applicable.

Article 13 – Temporary Transfers

1. An employee who is temporarily assigned, in writing, and accepts the full responsibilities of a position of a higher classification shall be paid for the actual hours worked, at a rate equal to ten percent (10%) above his/her regular hourly rate or the minimum rate of the classification in which the employee temporarily is working, whichever is greater.

2. All acting pay must be approved by the County Manager or the Board of Commissioners in the absence of the County Manager.
3. Any employee receiving appointment to a position from which s/he has been serving in an acting capacity shall be credited with all time served towards completion of the twelve (12) month probationary period for regular service.

Article 14 – Hours of Work

1. The Association recognizes that the employees who are subject to this Agreement are professional managers and, as such, are compensated on the basis of performing all tasks and other duties required to assure the full, efficient, and effective operation of their offices or departments, not on the number of hours worked. The Association further recognizes that the salary schedules by which the employees are paid have been developed in a manner intended to reflect the broad scope of the employees' responsibility and the fact that the employees' ordinary work day and work week will or may consist of more than eight (8) or forty (40) hours, respectively.
2. Except as reflected below, employees shall not be entitled to overtime compensation or compensatory time for hours worked in excess of eight (8), ten (10) or twelve (12) hours in a work day or in excess of forty (40) hours in a work week.
 - (a) Except when necessary to address exigent circumstances, problems, or issues, the County will not schedule staff meetings, in-house training, or orientation outside of regular business hours; nor shall an employee be required to work on a holiday, except in an emergency.
 - (b) An employee who is required to work any amount of time on a holiday shall be awarded twelve (12) hours of personal leave time. If the accrued leave time cannot reasonable be used within ninety (90) days following its accrual, the County shall pay the affected employee in cash at straight time his/her hourly rate of pay.
 - (c) An employee who consistently must work more than forty (40) hours per week, due to the demands of his/her managerial responsibilities, or who works an extraordinary number of hours during a limited period of time due to emergent or periodic projects or issues, may be awarded personal leave time of not more than fifteen (15) days per calendar year.
 - i. An employee who believes s/he is eligible for an award under this Sub-section shall submit a personal leave award request to the County Manager.
 - ii. The County Manager will grant the requested award unless clear substantive evidence exists that the requesting employee fails to satisfy the qualifications noted above.

- (d) Personal leave time awarded pursuant to Sub-sections (b) or (c) above shall not be annual leave or compensatory time; shall be used within **ninety (90)** days of award or it will be lost; and shall not be paid out in cash if the employee resigns, retires, or otherwise leaves the employ of the County before using the leave time.
3. When an employee is on approved leave, s/he will not be required to carry a pager, a cell phone, or respond to calls or messages provided s/he notifies the Manager of a telephone number at which s/he may be reached in the event of an urgent need requiring immediate response and the employee notifies the County Manager, in writing, of the person assigned to "act" in his/her stead.

In the event the employee's vacation is interrupted by the County Manager as a result of circumstances contemplated by this paragraph, for each such event of interruption, the employee shall be reimbursed the amount of time actually affected but, in no event, less than one quarter of a working day.

Article 15 – Employee Education Programs

1. The County is committed to encourage and assist its employees in increasing and broadening their skills and knowledge through continued education in areas that will contribute to their job performance. To this end, and to the extent permitted by the available resources of the County, as determined by the County Manager and/or the Board of Commissioners, the County agrees to establish education and training programs and policies that will support this commitment.
2. Except when prevented by the operational needs of the County or the employee's department or office, once an employee is approved for a training program, s/he shall be allowed to take and conclude such training without interruption.

Article 16 – Miscellaneous Leaves

1. **Military Leave:** Military leave shall be granted in accordance with applicable state and federal laws.
2. **Jury Duty:** An employee who serves on a jury or appears in court on behalf of the County for any purpose, causing a loss of regularly scheduled work, shall receive regular pay for the time lost. Any compensation received by the employee for serving on a jury or appearing as a witness on behalf of the County immediately shall be submitted to the County Treasurer.

Any decrease in the percentage rate of the retirement contribution will result in a corresponding increase to each employee's base pay equal to one-half of the percentage decrease. Any such increase in pay will be effective from the date the decrease in the percentage rate of the retirement contribution becomes effective. For the increase effective July 1, 2003, the County agrees to absorb the entire adjustment in lieu of a salary increase additional to that reflected in Article 27 below.
- 3. In the event that the retiree is eligible for Medicare benefits and is also eligible to receive continued health, dental and vision coverage from Nye County through retirement benefits, the County may opt to provide that coverage through an

alternative benefit plan provided and administered through the County's insurance carrier at the time. At no time will the coverage provided through the alternative plan be less than that of the current plan offered County employees.

4. The term "retirement contribution" does not include any payment for the purchase of previous credit service on behalf of any employee.
5. Upon retirement from service with Nye County, and as defined by PERS, the County shall pay all or part of the health insurance premium, including dental and vision care, at the percentage amounts prescribed below, based upon years of service and date of hire. The County shall not provide life insurance benefits for employees who retire on or after July 1, 2007.

2. In the event that an employee is injured and has applied for benefits under the PACT, the employee must use accrued sick leave during the qualifying waiting period. If the employee does qualify for benefits after the waiting period, the sick leave days used will be returned and credited to the employee. If the employee does not qualify, then the employee must continue to use sick leave while absent from work.

3. In the event an employee is absent due to a job-related injury or illness which has been approved by the PACT, the employee may receive compensation as determined by the PACT plus that amount from the County which would cause the total amount received by the employee from both the PACT and the County to equal his/her salary at the time of his/her injury, for a period not to exceed sixty (60) working days. During this period, the employee shall not be charged with the use of sick leave or state retirement benefits.
4. It is the intent of the County to pay the on-the-job injured/ill employee the difference between his/her full bi-weekly base salary and that provided by PACT. Therefore, the employee shall return to the County all temporary total disability payments made by the PACT for the sixty (60) day period listed in Section 3 of this Article. No supplemental benefit provided for in Section 3 shall be given until after the employee has deposited his/her lost time benefit check with the County. Upon expiration of the sixty (60) working days, if the employee is still unable to work, s/he may elect to use accrued sick leave.
5. When accrued sick leave has expired, and the injured/ill employee is still unable to return to work, s/he will then be permitted to use accrued vacation leave. Subsequent to the expiration of both the employee's sick and vacation leave, the employee shall receive compensation checks directly from the PACT, and s/he shall be considered to be on a leave of absence without pay from the County.
6. All paid leave will accrue during injury leave only to the extent that the employee is on any form of paid leave.

The compensation shall be equal to the number of hours of accrued sick and disability leave, up to a maximum of 1,000 hours, multiplied by the appropriate percentage of accrued sick and disability leave which is eligible for compensation (see table below), multiplied by the employee's hourly salary at the time of separation from service.

Such eligibility will continue until the employee is at the top step of the salary range.

No employee shall receive an outstanding step increase of more than one step within a twelve (12) month period from the date of the award of such increase.
4. In the event and at any time a determination is made and the parties agree that an employee is being paid at a rate that exceeds the top step in the range for his/her class, a meeting will be convened wherein an agreement shall be pursued to decide whether such employee shall be Y-rated (frozen) at his/her current rate of pay until the top step of the salary range for the employee's new class equals the employee's current base rate of pay. Failure to reach an agreement shall result in the pursuit of mediation

through the auspices of the Federal Mediation & Conciliation Service to seek an agreement.

5. When a step advancement is delayed solely through administrative delay or clerical error, the proper adjustment shall be made retroactive to the date it was originally due at a point no later than two (2) weeks beyond the scheduled due date. If two (2) weeks following an employee's anniversary date, the County has not completed a formal evaluation of an employee who would otherwise have been eligible for a step increase, the County will move the employee to the next step in the salary range effective the first of the next pay period.
